Sir:

Pursuant to 37 C.F.R. §1.97, Applicant hereby calls the Examiner's attention to documents listed on the attached form PTO/SB/08A which documents may be material to the examination of this application. In accordance with 37 CFR 1.98, a copy of the U.S. patents is not enclosed.

No interference should be drawn that any apparatus disclosed is equivalent to the subject invention.

The citation of the above discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date

which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

Please charge our deposit account no. 50-1039 for any fee due for this IDS.

Respectfully submitted,

Dated: December 16, 2005
